GLOBCOMM ST12

A reliable companion in every situation

Specially designed for professional use, the rugged tablet offers everything so that the user has a big 12-inch display with Fill-HD resolution and RS232, RJ45, USB and HDMI.

At the same time, the screen is protected from scratches and drops by Corning's Gorilla ® Glass. Data input can be made either with the fingers, even on a wet surface or with gloves on, as well as with the attached keyboard
